

25 FEBRUARY 2010 LETTER

Good morning to everyone. Just another reminder that we have our annual meeting tomorrow evening beginning at 7:00 P.M at Club 90. It was previously announced that we would be upstairs, but they have asked us to use the Green Room instead, so we will be in the Green Room.

We strongly request everyone's attendance as there will be some very important issues to be discussed and then voted on. It is very important that we have strong feed back and input so that we can address the needs and desire's of our club. If you have a friend or know someone that would be interested in joining our club, please bring them along also.

I have asked our new Concessionaire to stop by and say hello. She is very excited and willing to work with us and help us in every way and also having the concession at River Oaks, she is very experienced and will do an excellent job.

Thanks, and we look forward to seeing everyone tomorrow evening and have a great day,

Len Wilbur,
President
