

28 JULY 2010 LETTER

Subject: CLUB CHAMPIONSHIP

Good Morning Mountain View Men's Association,

Just wanted to inform everyone about some of the activities that are planned for the Club Championship this weekend.

On Saturday morning we would like everyone to gather on the number 10 tee box at 7:50 so we can have our honorary starter commence the tournament. We will start a new Tradition for our club as to who will tee off to start the tournament, and also for the future tournaments.

Upon completion of play Saturday, we will have a derby for all who are interested in playing. This is always an exciting and fun event. The entry fee is \$ 10.00 per person with all monies being paid back to the winners. We will have 2 flights, depending on Handicaps and we will pay the top 3 players in each flight. Brian is very gracious to allow us to play and we need to commence play as soon as everyone has finished. If you are planning on playing please pay attention to when we are getting organized to play. We will gather on the number 10 tee and go from there. Both myself and Landon will be organizing the derbies.

With regards to Sunday it will be Tee Times by flight. As we did last year, on Sunday, the Golf Course will be reversed so that # 9 hole will become # 18 which makes for a great finish as we have a lot of good players this year. We would request that everyone stick around until the end of play because we will have the Trophy Presentations in the pavilion immediately following the end of the tournament. This is always an exciting and important day, so please stay for the presentations.

For those of you that have not signed up, if you are qualified, please do so as we are over 100 players already, so it is important to enter as today is the last day to sign up.

Thanks,

Len Wilbur
President

P.S

Just as a follow up, we will have a Bag Drop at the North East corner of the Club House. Also, the young men that are helping us are Junior Golfers. This is a lot of work so please support them by donating for their time and effort. So please support them and tell them thank you,

Len
